## ABOUT THE ISSUE

The great Jewish writer Hillel Halkin wondered about the appeal of Israel and why it captivates the hearts of so many:

*What is it about this land, or about us who live in it? What is it about those who come and never leave, or who leave part of their hearts behind them when they do leave?*

The phenomenon is inexplicable. It crests beyond the obvious attractions: biblical theology, prophetic allurements, or historical and emotional appeal. It is a matter of the heart that is perhaps best articulated by viewing the land and its people. Art Director Tom Williams and our authors and photographers have attempted to take you to this special land with an issue of *Israel My Glory* designed especially for your heart. The cover photo is of Jerusalem (Todd Bolen/BiblePlaces.com).
