ABOUT THE ISSUE

With the resurgence of anti-Semitism and its accompanying distortions and lies, we decided to take an in-depth look at the history

and facts surrounding this terrible evil and its dangers. Our cover photo of Jewish gravestones in London, England, that were desecrated last summer, tells why we should awaken to the peril lying in wait for us. Our outstanding articles paint a vivid portrait of how anti-Semitism has been satanically nurtured and preserved and is now being linked to the Arab-Israeli conflict. Couple this with the fact that revisionists are rewriting history for the biblically illiterate and you'll get the picture. If you want to know what's happening in the world, this issue will tell you (Graeme Robertson/Getty Images).

The Islamic Center in Munich, Germany, was founded by Muslim Nazis. But that link is only one of many in a surprisingly strong Muslim-Nazi connection.

The Roots of Nazism
by *Steve Herzig*18
How could a country that gave the world the great reformer Martin Luther also produce Adolf Hitler? The answer may shock you.

Holocaust Revisionism's Big Deniers
by *Charles E. McCracken*22
If the names Paul Rassiner, Austin J. App, and Ernst Zundel don't ring a bell, this article may be especially interesting to you.

New or Déjà Vu?
by *Robert Congdon*26
Europe is again becoming a dangerous place for Jewish people. It's the same old anti-Semitism, but with a slightly new and frightening twist.
