ABOUT THIS ISSUE

Did you ever wish you had a simple device to clarify the differences between Christianity and Islam? Well, now you have. This issue is packed with important information, including a chart titled "The Muslim Jesus versus the Christian Jesus" by Islamic expert Emir Caner. It lays out differences that will astound you. Plus you'll read about Iran's concept of the Mahdi, Islam's messiah who many Muslims believe will return soon. With everything happening in the world, where is the church headed? Our dear friend Adrian Rogers, now with the Lord, felt the church needs to wake up and get busy. Our cover depicts that sobering truth. It's all here. You'll want to share this one with a friend!
