ABOUT THIS ISSUE

Big thinkers are reportedly working to perfect a rocket capable of transporting people to Mars. Colonizing the red planet is the objective. The reason is that many are looking for a place to go to get away from the problems of crumbling societies and the uncertainties of the future here on Earth. However, strip malls on Mars will not feed the desire for something more lasting and secure. The truth is, God is not finished with planet Earth, and there is a better day and a new world ahead. The Word of God confirms it. There is a Kingdom coming, a King for the throne, and a people for His name. It's a transforming certainty, and you can learn how to make the trip in this issue of *Israel My Glory*. Our cover is a photograph of snow-covered Mount Hermon in the north of Israel (Harel Eilat/Israelimages).

Inside the IDF: The Most Humane Army in the World

by Lorna Simcox24
The world wants you to believe that Israel's soldiers are like Hitler's Nazis. But the truth is exactly the opposite. You'll be amazed at what this army does to protect its enemies.

Show Me the Law and I'll Show You the Lawgiver

by Craig L. Parshall28
Law students used to be taught the importance of the Ten Commandments in American jurisprudence. Not today. But truth is truth, as you'll see here.
