

# GOD'S PROPHETIC CALENDAR

"I am the Lord... Behold, the former things have come to pass, and new things I declare; before they spring forth I tell you of them." Isa. 42:8-9

One of the things that separates the Bible from any other religious book is its ability to foretell the future with great accuracy. God, in His infinite wisdom, tells us of things that will spring forth upon the earth. When He does so, He is revealing His plans and purpose for the future.

Through Isaiah the prophet God told Israel that because the things He foretold about the past had occurred, just as He prophesied, so too would the things that He declared about the future come to pass. God always has a purpose in revealing things to come and, just as in the days of Isaiah, He expects us to study and understand what He has told us will take place upon the earth.

Our study of God's Prophetic Calendar will focus on three distinct events; the Rapture, the Tribulation and the Millennial Kingdom. God has told us about them in His Word, but they are yet future. Please join us for this exciting study as we consider the what, why, who, and when of each of these landmark events and their importance to us today.
