**Session # 1 Daniel Bowers: Eschatology: A broad overview of the End Times.**  
How do we answer those who make predictions about the second coming of Christ Jesus? How do we answer those who make fun of Christians who make foolish announcements about the Second Coming of Christ Jesus without the Scriptural authority to do so? As Christians, we do need to share what we do know about the end times, but we must also avoid adding to Scripture where the Word of God does not speak.

**Session # 2 Larry Mitchell: The last days church.** The rapture is imminent, the Lord will come for his church suddenly, like a thief in the night. No one knows the day or the hour of the rapture, we do have prophesies concerning the falling away of the church in the last days.

**Session # 3 Larry Mitchell: The signs of the second coming and the end of the age.** When Jesus told his disciples that Herod's Temple would be destroyed, they asked Him, "What will be the sign of your coming and the end of the age?" This message will look at the signs of the Second Coming of Jesus.

**Session # 4 Daniel Bowers: The Bible's View of the New Jerusalem.**  
In the Book of Revelation chapter 21, John sees a vision of the New Jerusalem, the Bride of Christ, the Church, as a climax of God's redemptive purposes, an encouragement and challenge to believers living today in a dark and hostile world.

**Session # 5 Question and Answer  
Sunday January 20th 10:30 am**

**Larry Mitchell: The Eternal Battle for Zion**

The battle for Zion begins in the Garden of Eden before the fall of man, when Satan declares "I will sit also upon the mount of the congregation, in the sides of the north." {Isaiah 14:13} For the last six thousand years, there has been a battle between God and Satan for the control of Jerusalem. That battle will reach its climax during the tribulation period when the Lord returns to Jerusalem to set up his messianic kingdom.
