**What better place for a 1968 Chevelle to be, than at a Chevrolet Dealership. The purpose of this event will be to increase awareness about Israel, while raising funds for CMDA and their many important causes.**

**So come on out to Vickar Chevrolet and see their huge inventory of cars, trucks and suvs and then get your picture taken with the Chevelle. Takes place, rain or shine.**

**Let's go *Cruizin' For Zion* together.**
