

WHAT IN THE WORLD IS GOING ON?

Virtual Conference - May 5-8, 2022

TOPICS / SPEAKERS: Topics - 30-35 min each

Thursday May 5 - 8 pm EDT

1) WHERE DO WE GO FROM HERE? - Steve Herzig (Luke 21:28)

Recap of the last two years and where things are heading. Luke 21:28 tells us of a time in the Tribulation that when Jewish believers begin to see the signs Jesus spoke of, that they were to lift up their heads for their redemption draweth nigh. Today we live in a world where we can see the stage being set for things that will happen in the Tribulation and being that the Rapture happens before that time, how much closer is the return of Jesus for His Bride.

2) THE THRONE ROOM OF HEAVEN - Larry Mitchell (Revelation 4/5)

Right after John was instructed to write down the things which he had seen and the things which are, he begins to write down the things that will take place here after. John then hears the voice, like a trumpet saying "Come up Hither" in which he immediately finds himself in the Throne Room of Heaven and in the presence of the Father, the Son and His Bride.

Friday May 6 - 8 pm EDT

3) PEACE IN THE MIDDLE EAST - Robert Gottselig (1Thessalonians 5:3)

Looking at the current situation with Israel today and the news surrounding her. Israel's enemies continue to threaten to wipe her off the face of the map and the world pressures her to make peace with a people who will not recognize her right to exist. Israel will eventually turn to the coming Lawless One for peace and safety, but it will be a covenant with death and hell.

4) WHO IS ABLE TO STAND? - John Plantz (Revelation 6:16-17)

The horrific things we see happening in our world today, pale in comparison to the events which are yet to come in the Tribulation. The Time of Jacob's Trouble is a horrific period of 7 years where God will pour out His wrath on this wicked world while He turns His focus on Israel to bring them to repentance and faith in Jesus. Thank God we have been promised to be spared from the wrath to come.

Saturday May 7 - 8 pm EDT

5) THE COMING LAWLESS ONE, Pt. 1 - Dr. Robert Lindsted (Daniel 7:23-27)

6) THE COMING LAWLESS ONE, Pt. 2 - Dr. Robert Lindsted (Daniel 7:23-27)

From the measures taken by world leaders to deal with the pandemic to the World Economic Forum's Great Reset and their cry to save our planet, these along with other global initiatives are preparing earth's citizens for a one world leader to come on the scene. Yet our hope is in Christ and our eyes need to be fixed on Him as we share the Gospel with a lost and hurting world.

Sunday May 8 - 8 pm EDT

7) LET NOT YOUR HEART BE TROUBLED - John Feakes (John 14:1-3)

Jesus said "Let not your heart be troubled" you believe in God, believe also in Me. He then, in the first mention of the Rapture tells us that He has gone to prepare a place for us and that He will come again and receive us unto Himself, so that we will always be with Him. What a blessing that is and a motivation to occupy until He returns.

8) HOW TO BE AN OVERCOMER - Mike Cannell (1John 5:5)

As we look at our world today and see where things are heading, one thing is for certain, the world needs Jesus. Trials and tribulations though they are promised to come our way are no reason to lose hope. Instead, we should be of good cheer because Jesus has overcome the world and because He wins we win.
