FROM EDEN TO EDEN

Saturday, October 1

Lakewood Baptist Church
8521 Steilacoom Blvd.
Lakewood, WA 98498

When you open the first two chapters of the Bible, what do you find? God's perfect creation and mankind living in perfect harmony with their Creator—untarnished by sin. What you might not know is that when you reach the last two chapters, you find the same beautiful scene! The beginning of the Bible mirrors the end in fascinating ways. It all starts and ends in the garden as God brings His creation back to its perfect origin to establish His restored Kingdom. Join us for an unforgettable look at the beautiful parallels found in Scripture in our Prophecy Up Close conference **From Eden to Eden!**
