A NOTE FROM OUR DIRECTOR

Dearest Friend of Israel,

When I think about The Friends of Israel Gospel Ministry, I don't think of an organization. I think of people like you who **love Israel** and want to **bless the Jewish people**.

You are a friend of Israel.

When you give to one or more of the projects in our gift catalog, you are loving God's uniquely Chosen People all around the globe. Think about it—you can give a Ukrainian family respite from war, you can shelter a family from missile attacks in Israel, you can help a child attend Bible camp, you can help Jewish people immigrate to Israel, you can reach those in places near and far with sound biblical teaching, and you can share the gospel with those searching for answers. **Your generosity today will make a difference for eternity.**

God sent His only begotten Son because He loved you. This gift catalog is one way you can respond in love to the Lord's family and bless the Jewish people. Thank you for being a friend of Israel.

Serving together with you,

Jim Showers, DMin
Executive Director/President

Give a Soldier a Safe Place to Encounter God

Straight out of high school, Israelis must serve for 2–3 years in the military or related logistical service. Once done with their military service, it's common for these young adults to try to find meaning and purpose in their lives. Many choose to backpack the exotic terrain of New Zealand, where they receive the warm hospitality of our FOI team and lodging, warm meals, hot showers, and comfortable beds. In this safe space, these young adults have spiritual questions; and with gentleness and respect, our team is able to give testimony to those who ask. You can help make an Israeli backpacker's stay in New Zealand unforgettable, maybe even life-changing, by making it possible for him or her to learn of God's love for them.

Train Up a Child

Right now there is a tremendous need for fellowship and discipleship of young believers in the Church in Israel. The Body of Christ is growing, and so are the young Christians you can support in the Holy Land. Your love and support for this special group of young people, ages 3–18, helps them participate in youth groups at their local church, provides supplies and food for summer camps and Sunday school. Through these transformational programs, they learn of Jesus' love for them in the places where He lived, taught, died, resurrected, and will come again. Please take advantage of this incredible opportunity to help growing believers in Israel so they may become more like Christ in the Holy Land.

3 Save a Life

Every day sick and injured people cross our clinic's threshold, desperate for good medical care. Many people cannot afford the high cost of basic medical care. At our medical clinic nestled between three Jewish enclaves in Buenos Aires, every patient receives individual treatment by a certified nurse or physician, or is transported to a major hospital for intensive care. All medical care and transportation is provided free to the patients. No patient leaves without being offered spiritual support and experiencing Christian compassion. With your gift of \$50, you will make a difference for one patient who receives the medical treatment he or she needs, as well as much-needed spiritual healing.

4 Meet Urgent Physical and Spiritual Needs

War continues in Eastern Europe. Millions of people are displaced within Ukraine, and millions more have fled Ukraine. Our workers have served in the region for more than 6 decades. They are risking their lives daily to help transport, feed, house, and clothe refugees, while trucking massive amounts of food, medicine, clothing, emergency equipment, and generators to Jewish communities in Ukraine. Beyond Ukraine, ministry continues and the delivery of humanitarian aid to desperate Jewish enclaves in Belarus, Poland, Russia, and other parts of Eastern Europe. The need is urgent and continues to grow as conditions worsen in the Baltic region.

For mere dollars, you can feed a family for a month. For a little more, you can help transport, feed, and house refugees for a week at one of our safe houses in Poland. Your support will help meet the most serious physical needs, right now, by supplying food, medicine, clothes, shelter, and other essential needs in Eastern Europe.

5 Open the Word and Give Hope

Believers and seekers, both Jewish and secular, from Ukraine, Belarus, Latvia, the Czech Republic, and Poland come together throughout the summer months to learn about the Bible, study, and enjoy fellowship. For many, it is the first time they have ever held a Bible in their hands. Many are coming from the war-torn regions of Ukraine, and this retreat provides a respite from air-raid sirens and fear. Your love and financial support will provide a unique opportunity for the Lord to calm their fears with His love through His Word, provide shelter and nourishment, and give them the opportunity to be still with God and take a Bible home with them.

6 Comfort Children in His Name

Every summer, hundreds of children and their mothers come from broken areas across Eastern Europe to summer camp in the serene Polish countryside. This year has been especially important as all these children and moms come from war-torn Jewish communities in Ukraine. At camp, children enjoy fellowship, Bibles and Bible study, hot meals, and peace and safety away from air-raid sirens. Mothers don't have to worry about how to provide food and necessities for their children. And the children can be children, making visits to the zoo, hiking in the woods, and living with a sense of security for their stay in Poland.

Children's camp at one of our Polish facilities has quickly become one of the most important programs at The Friends of Israel. Each child returns home with clothes, new shoes, a backpack, and a Bible. More importantly, every child leaves camp knowing that God's love for him or her is real. You can give these children and their mothers food, lodging, and clothing, but even more, you can give them the hope they can find only in Jesus Christ.

Give Hope on Campuses

Do you remember your days on the mall of your college campus? Maybe you encountered a friend who shared the gospel with you or invited you to a Bible study. Maybe you only attended the study for the free food and ended up finding salvation through Jesus Christ...

Today, students are denying Christ in an effort to express themselves and their feelings about the church. That's why we make it a priority to reach young adults on their own turf in multiple ways. Maybe you can't make it to your alma mater to share God's truth, but you can help! You can help spread truth and the love of our Savior in the harsh spiritual climate of academia. When you give to FOI's campus ministry, you are opening hearts, leading a new generation to life in Christ, and helping them grow in their faith rather than abandon it.

Reach a New Generation

The work of keeping an evangelical ministry relevant and reaching the next, distracted generation of believers and non-believers is never done. Communications have changed and more than 8 in 10 Americans get their information online. Our new video studio is done and we are creating, producing, and publishing new content to help reach younger generations where they are online. Your help means the same excellence in Bible teaching you enjoy from *Israel My Glory* magazine, *FOI Today Radio*, and at our prophecy conferences will reach a new generation on YouTube and other places online. Your gift will reach more people in more places than ever before.

Launch a Worker for Christ

Exhilarating, sobering, challenging, and yes, frightening are a few of the emotions felt on a journey to serve in full-time ministry with The Friends of Israel Gospel Ministry. We call it a blessing, and that is what you will receive when you make any part of that journey a reality for one person called by the Lord into Jewish ministry. Your gift, today, will launch, equip, train, and prepare new FOI field workers for serving the Jewish community, full time, in our neighborhoods and teaching in our churches tomorrow.

10

Give “Tikvah”

“Tikvah” is the Hebrew word for “hope.” Biblically speaking, hope is more than a wish, hope is an eager expectation of good things to come, and there is much eager expectation for our new ministry, **The Tikvah Team**. The Tikvah Team is The Friends of Israel’s North American Ministries Volunteer Network. We have created a network of like-minded believers that mobilizes volunteers to serve, support, and bless Jewish people with the love of Messiah Jesus by using their own individual gifts and talents in their local community.

Why is it so important to train believers to love and support Israel and the Jewish people?

Because we need biblically-minded Christians who stand alongside us in our mission. Our goal is to multiply our ministry by training believers to become Friends of Israel right where God has placed them. Small acts from each volunteer add up to big hope for the Gospel of Jesus Christ.

Please bless this effort to reach more Jewish communities through a gift to the Tikvah Team. You will be providing training, resources, organization and motivation to a global effort to mobilize in new communities.

Edify the Body of Christ

Did you know the Bible you read is a Jewish book from Genesis to Revelation? It tells the story of God's Chosen People and His plan to bring salvation to the whole world through Jesus the Messiah. The more you learn about the Jewishness of the Bible, the greater your love for Jesus will grow. These free, online classes are open to anyone around the world, and thousands participate in more than 20 classes offered each year. In order to keep these classes free, we need your help to continue to provide excellent content and meaningful learning. Your gift will edify the body of Christ with knowledge of the Jewish roots of our faith.

Save a Life in Israel

When missiles and mortars rain down on Israel and citizens have 10–14 seconds to find shelter, you protect thousands of people from destruction in bomb shelters. When a mother fears she cannot keep the baby growing in her womb, you encourage her to save her child's life from a needless abortion. When a drug addict lies helpless in the streets of Tel Aviv, thirsty, dirty, and desperate for a Savior, you minister to him. When a child is so hungry she cannot concentrate in school, you feed her. When a terrorist strikes at the heart of the Jewish people, you provide counseling and care. When an IDF veteran is wounded, you provide long-term physical therapy and rehabilitation. And when a woman is desperate to escape the violent abuse of her husband, you give her and her children a safe sanctuary. When you give to the Israel Relief Fund, you are tangibly and directly serving the least of these in Israel.

The late years in life for a Gentile or Jewish person can be the loneliest time. Helping and spending time with an elderly person is the perfect way to demonstrate Christ's love. You help form unique friendships with these precious people by supporting the Elderly Care Fund. Through your support, you send workers to spend time with our elderly friends near and far. You bring them food and medicine, help transport them to doctor appointments, assist them with small projects around the house, and give them spiritual support. Be the Hands and Feet of Christ in Israel

There is no better way to influence a new generation of believers and teach them about the relevance of Israel than taking them to the Holy Land and putting them to work serving the Jewish people. Some people call it “experiential learning,” but we call it ministry. This immersive experience ingrains the significance of the Jewish people into the hearts of these young volunteers—and ingrains the significance of Christian love into the hearts of Israelis. These volunteers are often young and need to raise support to afford the trip. Can you help them? When you help sponsor a volunteer, you send the love of the Messiah directly to the Jewish people and you forever imprint Israel in the heart of a young believer.

Help a Jewish Person Return Home

Israel has become a refuge for Jewish people fleeing Eastern Europe, Russia, and Argentina. And Israel is absorbing as many as 250,000 Jewish. Most are desperate to leave situations of war, poverty, and extreme antisemitic persecution. We can see how the Lord is gathering His people and planting them in the Holy Land as more and more people make *aliyah*, or immigrate, to Israel each year. You can be part of God's plan to rescue the Jewish people and bring them home, help them learn Hebrew, find work or a school, receive job training and opportunities, and integrate into Israeli society.
